1. Once a student has parked their vehicle, he/she should proceed immediately to the school. There will be no loitering in or near the vehicles.
2. Once parked, a student must have administrative approval to go out to the parking lot during the school day.
3. Students are to drive carefully and obey applicable laws while parking on campus.
4. School rules noted in the code of conduct extend to the parking lot as well. Stickers, decals and/or signs that are deemed to be inappropriate, by the administration, must be removed.
5. Student vehicles are subject to search and seizure if there are reasonable grounds to suspect drugs, alcohol, stolen property or other contraband.
6. The school does not assume responsibility for loss or damage to the vehicles.
7. Disciplinary action may occur if students do not follow parking policies established by the school. This may include revoking a student's parking permit. Parking privileges may also be revoked for students who violate attendance/tardy policies.
8. Repeated or excessive violation of the parking policies could result in the vehicle being towed from the premises at the driver's/owner expense.

We have read and understand the above parking regulations and agree to abide with them. We understand that parking at Northwestern High School is a privilege not a right.
