If your child(ren) require(s) busing for the 2018-2019 school year, please complete this form and **return it to the school they attend**. Even if your child is **NOT** being transported, this form needs to be completed and returned. Because of liability and transportation issues, we can only allow **ONE** pick-up/drop-off point per student. In cases where babysitters are an issue, this has to be pre-approved by the school in order for students to be transported via bus to multiple stops. If the bus has available seating, they will be accommodated. The school needs to be provided a schedule, so there is no confusion as to which stop each day. **State Law requires that students be at their designated point of safety 5 minutes prior to the arrival time.** Please contact the Transportation Department at 419-846-1154 with any questions/concerns. The cut-off date for any changes is July 31. We appreciate your cooperation.

Section 1. **Fill out this section regardless of Section 2. Please fill out a separate form for each student. Thank you!!
