An Equal Opportunity Employer

Employment is contingent upon acceptable passage of a background check. It is the responsibility of the applicant to disclose any prior arrest(s) or other offenses which may flag in a background check. There is no promise of compensation even following hiring or work completed until acceptable passage of background check has been received and approved by the district. No applicant will be permitted to work directly with our students - even in a voluntary capacity - prior to completion of background check and approval by the superintendent. Any person knowingly making a false statement will be charged with a misdemeanor according to Ohio Revised Code.
